Your teacher will tell you when you have PE but we suggest that you bring your kit into school on a Monday and take it home again on Friday to get washed. Obviously, if you have been doing some PE or games that messes up your kit during the week you should take it home for washing.

Homework.

All children have tasks to do at home. This will help you to improve your reading, spelling and tables. Sometimes your teacher may ask you to find out some information for a project.

The school can give you a book bag and reading diary. This will help you to remember your books and your homework.
