LAST DAY:	

Dear Parents,

We have been informed that today is your child's last day at this school. It is our hope that your child will settle in quickly at his/her new school.

You will find enclosed:

- **A School Report**
- **All her/his Educational Documents**
- **Current Books**

These Documents are very important - there are no duplicate records. It is essential that all documents are handed to the Headteacher of your child's new school. Failure to hand in the Documents will hinder the new school in making initial Assessments and providing a suitable Programme of Study.

Best wishes in your new posting.

Yours sincerely,

Julia Dowdeswell
